**CONSENT FORM**  
**To use copyright material, image, recording and/or name**

**INFORMATION**

**What is this consent for?**

This Consent Form authorises the Association to use the Individual's copyright material, image, recording and name, together with information about the Individual's participation in the Association's initiatives. The consent covers the entire or partial use of the Individual's copyright material, image, recording and name in conjunction with other words and images.

For example, the completed material can appear in association newsletters, association magazines, websites and other association publications, as well as in television advertising, videos, brochures, forms, public relations displays, annual reports, press advertising, internal documents such as manuals, websites, certificates, strategic plans, posters and promotional material and in materials produced by the association. There may also be occasions on which the association may approve the media, such as local newspapers and television, using information and material in relation to Individual.

**What is an image or recording?**

In this Consent Form, an image or recording includes photographs, videos, films, or sound recordings of the Individual.

**Why is a Schedule used?**

A Schedule may be attached to this Consent Form describing a specific use of the Individual's copyright material, image, name or recording, either because it falls outside the purposes listed in Section 2 or to confirm the consent in this form.

**What happens to the Consent Form once it is completed and signed?**

The Consent Form is retained by the association and it will be placed on the Individual's file and/or the project file. The Individual or Signatory may request a copy of the signed form by contacting the Association.

**What if I give my consent and later change my mind?**

The consent will be in effect for the period described in Section 3 of the form. The consent can be modified or withdrawn at any time by writing to the Association. However, any changes will apply only from the date that the Association receives of any consent withdrawal. Any existing material will not be withdrawn from use if the association is currently using the material or where the association has entered into contractual obligations in relation to this material. In such cases the withdrawal will be effective after the association's use is complete or after the contractual obligations come to an end.
