SUPERHEROES AND VILLAINS

A long, long time ago in a city far, far away the SCC Empire created a gathering called the International Hockey Sixes. The time has come for another big assembly of nations. The bat signal has once again been shone throughout the universe. The SCC Empire is calling all superheroes and villains to suit up in their costumes and fly at warp speed to the Singapore Cricket Club marquee on the night of the 3rd of March in the year two thousand and twelve. The gathering will be one to remember as the Empire's Randy Groover will be making his grand appearance once more to unite the nations. The Empire requires it's people to be suited proudly in costume....excuses are futile and will be punished. The empire salutes you and your nation

....Until then....
